MEMORANDUM FOR: Deputy Director for Plans  
Deputy Director for Support

SUBJECT: Survey of Technical Surveillance Counter-  
measures

25X1A

25X1A Having reviewed the above subject contained in [REDACTED]  
[REDACTED] report, and having conferred with a few knowledgeable  
individuals, I would appreciate it if you would examine the following  
points and report to me on the feasibility of the recommendation.

1. It is my impression that there is a lack of  
communication or cooperation between the Office of  
Security/Technical Division (TD) and the [REDACTED] 25X1A  
DDP.

2. While there recently has been an improvement  
in the coordination between the TD and some of the Area  
Divisions of the Clandestine Services, there is apparently  
no overall point of view on the entire problem.

3. I therefore recommend that consideration be  
given to placing countermeasures activities and positive  
audio operations within the same Agency component.
